*Allowable Subject Matter*

2.     Claims 1-20 are allowed.

*Reasons for Allowance*

3.     The following is an examiner’s statement of reasons for allowance:

Claims 1, 13, 19, and 20, as well as their dependent claims, are found to be allowable because the prior art of record neither teaches nor reasonably suggests the recitations found therein including a locking device which prevents the removal of the swivel housing while the opening roller is still rotating.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

*Conclusion*
